does far more Clears bad complexions than remove the dirt

Any soap will class your skin-a bar of laundry soap will do if you do not care what becomes of your complexion. But you know that laundry soap usually contains harsh, drying alkali that would ruin your skin and hair, so you never think of using it for your tollet.

Poorly made toilet soaps contain this same injurious chemical. Resinol Soap has absolutely no free alkali, while to it is added the Resmol medication, which play sicians prescribe regularly for skin affect tions. This gives it soothing, heating properties which improve the comprexion, protect tender skins from irritation keep the hair rich, lustrous and free from dandruff
